

## **St. Alphonsus Liguori School Charger News**

**Take advantage of the referral credit for next year. Every family that you send can earn you money! Each family who registers for next year and stays the year earns you a \$500 Visa card given to you at the end of that school year in May, 2025. Bring in multiple families and earn multiple gift cards!**

Dear Parent,

Beginning now, teachers and students across the district will have an opportunity to participate in the 5Essentials Survey during school. This survey is designed to generate a detailed picture of the inner workings of your child's school. As a parent, you also have the opportunity to share your thoughts on the important elements of school effectiveness in a survey about your child's school.

The 5Essentials Survey will be administered online by UChicago Impact. The 5Essentials gathers data related to five indicators that can predict important student outcomes, including improved attendance and larger test score gains. These five indicators that affect and predict school success are:

- Effective Leaders
- Collaborative Teachers
- Involved Families
- Supportive Environments
- Ambitious Instruction

Prior research has shown that schools that were strong on at least three of these "5Essential" indicators were 10 times more likely to improve student learning gains in math and reading than those that were weak on three or more Essentials.

If at least 20 percent of our parents complete this survey, a parent survey report will be generated.

**Your participation in the parent survey will help us understand the conditions at your child's school and guide improvement. Your identity and survey responses will be kept completely confidential and will never be connected to you or your child.**

The Parent Survey is being conducted now through March 22, 2024. To take the survey please visit <https://survey.5-essentials.org/archchicago/survey/parent/>.

Thank you for your help.
